Mr. Harold Walton
186 Riverside Drive
New York City

Dear Sir:

After your telephone message yesterday, I found on looking up the matter, that volume No. 7 is the scarce volume of our Journal, and that we have no additional copies remaining. We do however, have a duplicate set which is bound, and I should be glad to loan you Volume No. 7 for a reasonable time if that will meet your particular need. I regret exceedingly that I should have misinformed you. If you will telephone me I can have the duplicate copy delivered to you Friday.

Yours very truly,

Secretary.
